A Mother's Story: Angie Doesn't Live Here Anymore Maggie C Romero

A Mother's Story is a searing and intimate portrait of addiction and how it has been passed down in Maggie Romero's family from generation to generation. Maggie is herself an addict, and when Angie's drug addiction, at age twenty-two, became apparent to her, she jumped into a recovery program to cope with her daughter's illness. The subsequent twelve years have proven to be a powerful and poignant redemption journey, as she has gradually come to claim recovery for herself even as she's watched her beautiful daughter continue to struggle. This award-winning memoir is a story of hope and recovery that will resonate with many people, as epidemic as addiction is in our society. Many will benefit from her experience and the lessons passed on.
