Band Expressions(tm) is a full-band curriculum that provides music educators at all levels with easy-to-use, exciting tools to meet daily classroom challenges and bring new vibrancy and depth to teaching music. The lessons were written based on the National Standards for Music Education -- not retrofitted to the Standards. The program is both music literacy-based and literacy driven -- based on music literacy while satisfying reading and writing mandates in band class.

Each student book features an attractive full-color interior with easy-to-read notes and includes:

- A 78-track CD in each student book with accompaniments for various songs and exercises throughout the lesson book
- Historical notes on some of the most notable composers of band music
- A thorough glossary of musical terms
- Tips on advanced instrument care and maintenance

Future reprints may be printed with black and white interiors.

This title is available in SmartMusic.
