This series consists of ten (10) children picture books (Baseball, Football, Basketball, Hockey, Soccer, Golf, Tennis and Volleyball) – two in Spanish - that are fun, attractive and educational. These non-violent books subliminally teach children how to better understand the handling of bullies. This bully series is aimed toward children who are just beginning to interact with sport teams, coaches, fans and players. These stories will serve as an educational tool as the characters play out real life situations and learn how to cope and handle them. Also it serves as an excellent means for an adult to start a conversation with a child about bullies, sportsmanship, family, moral values, good behavior, playing fair and most important - just having fun. Each book contains 32 illustrated pages that feature LuckySports characters (some helpful, some not) that are given a second chance in life as sport cartoon characters in a magical world of SportsLand, where sport is KING and playing is FUN. Children will experience all the ACTION, FUN and ADVENTURE of SportsLand. What is Adventures in SportsLand?
