**High Moon Vol. 1: "Bullet Holes and Bite Marks"** David Gallaher

The Harvey-Award-Winning Webcomic from DC Comics is now a groundbreaking graphic novel!

Bounty-hunter Matthew Macgregor investigates a series of strange happenings in the dusty Texas town of Blest where drought has brought famine and hardship to most of the town and surrounding ranches. Unfortunately, that's the least of the town's worries! While the summer heat pushes the mercury toward further unbearable degrees during the day, the nights are haunted by strange, unnatural creatures roaming the darkness. Macgregor, a former Pinkerton agent, seeks to uncover the town's dark secrets and tries desperately to keep his own past steeped in witchcraft and the supernatural hidden.
