It's the end of the road....

Jason Carrillo came out to his basketball team and lost his university scholarship. Now that he's graduated, he's been asked to speak at the opening of a gay and lesbian high school across the country -- but what is he going to say?

Kyle Meeks is getting ready to go to Princeton in the fall. When his boyfriend, Jason, mentions the speaking invitation, he jumps at the chance to go with him -- but can their romance survive two weeks crammed together in a car?

Nelson Glassman is happy that his best friend, Kyle, has found love with Jason. Now he wants to find a soul mate of his own and is going to start looking during the road trip -- but will being "third wheel" ruin his friendship with Kyle and Jason?
