The Mode in Costume: A Historical Survey with 202 Plates (Dover Fashion and Costumes) R. Turner Wilcox

The pursuit of style has prompted centuries of dramatic change in fashion—and author R. Turner Wilcox researched and documented it all in this completely comprehensive volume. A lifelong student of history, costume, and design, she observed decades of fashion innovations from major cities all over the world and served as fashion editor of *Women's Wear Daily* from 1910 to 1915. Her remarkable *Mode* series is a definitive reference for anyone with a passion for fashion. From the togas of ancient Rome to the gorgeous gowns of Dior, this lavishly illustrated, thoroughly researched treasury examines men's, women's, and children's clothing — plus accessories — from 3000 B.C. to 1958. Based on medals, coins, sculpture, and decorations of various periods, the images include ancient Egyptian tunics, Chinese silks, Greek sandals, Roman bridal gowns, Persian parasols and fans, Victorian top hats and cravats, Renaissance lace, Venetian breeches, crinolines and bustles, fedoras and homburgs, as well as perfumes, hairstyles, and handbags. A gathering of some of the most distinctive and dramatic styles through the ages, *The Mode in Costume* is an essential handbook for illustrators, costume designers, and theater students — and compulsory reading for fashionistas.
