Artichoke Tales Megan Kelso

Artichoke Tales is a coming-of-age story about a young girl named Brigitte whose family is caught between the two warring sides of a civil war, a graphic novel that takes place in a world that echoes our own, but whose people have artichoke leaves instead of hair. Influenced in equal parts by *Little House on the Prairie*, *The Thorn Birds*, *Dharma Bums*, and *Cold Mountain*, Kelso weaves a moving story about family amidst war. Kelso's visual storytelling, uniquely combining delicate linework with rhythmic, musical page compositions, creates a dramatic tension between intimate, ruminative character studies and the unflinching depiction of the consequences of war and carnage, lending cohesion and resonance to a generational epic.
