Adventure, Romance and Fantasy in Medieval England When love and honour clash. EAGLE KNIGHT is set in medieval times, it tells the story of a young knight who sets out on a journey that will transform his life. The bygone days of kings, queens, lords and knights will come alive in this beautiful tale of adventure and romance. Sent by the king to escort Princess Elizabeth on her journey to meet her betrothed, Sir Aguilus discovers that his liege's daughter is the one and only woman fated to be his. Sworn, and honour bound to deliver her to the King of Salmonia, the knight is torn between his feelings and desires and his sense of duty and loyalty. What he decides will affect not only him but his family and the fates of three countries. The fact that previous brides have been murdered or disappeared and that a traitor is known to lurk in the Salmonian ranks does not make Aguilus' task any easier. Follow Aguilus, our young knight, on his travels as he strives to uphold his oaths of chivalry and at the same time achieve his heart's desire. This is a story of love, friendship and loyalty, spiced with a slice of mystery, and with just that little bit of magic that will enthrall and captivate you from beginning to end. Eagle Knight is the sequel to Eagle Lady but it can also be read as a standalone. It is also suitable for all age groups to enjoy.
