Richard Long: Dartmoor: An Eight Day Walk

This thick spiral-bound artist's book presents documentation of an eight-day walk taken by the renowned English earth artist. Each thick, almost cardboard-y page is cut into three sections, so that the reader can see the horizon, the middle-ground or the foreground of mixed-and-matched pages, or from a single photographed moment, at once. Includes views of mist-enshrouded rock piles, running streams, just-blooming wildflowers, waving heather grasses and all variations of cloud.
