Someday, Too has more romance, more mystery, more laughs and more mayhem! Tee proves that dreams do come true when she becomes the wife of retired NFL great Michael Stokes. After the death of Michael's stalker, they thought the madness was over. But fairytales are fleeting and their return from their honeymoon proves that the devil is still busy. Crazy Rebecca DeFoy is back-or is she? Tee learns the hard way; not everyone is happy she found Mr. Righteous. After his reputation is rocked by scandals orchestrated by his own manager, Michael's new career as a motivational speaker may be over. Can a love so fragile and new withstand these tumultuous times? There's more... Tee's sister Sandy and her husband Patrick are expecting a new bundle of joy. But the baby blues take over when Sandy's adulterous past comes back to haunt her. Lenice finally seeks help for her man-hating ways, but learning to love again is hard to do even if there is a good man willing to help. Her twin Lenora has a love affair with food that is threatening her health and her marriage. And the fabulous Tiffany Tate finds herself living single after giving her married lover the boot, but she isn't fond of living without his loot. Can she find the strength to take care of herself and her son on her own? Or will her love of money keep her tied to a sinful relationship? Someday, Too delves into the complexities of love, friendship and faith. It reminds us that God can provide all your needs but first, you have to be willing to trust Him. Jae Henderson returns with the sequel to her beloved debut inspirational romance, Someday. The second book of this three-part series provides further encouragement to women to live a life of good moral character and pursue their dreams.
