Capturing Kate Alexis Alvarez

Twenty-eight-year-old journalist Kate Klein knew reporting on a powerful businessman's disregard for the safety of the local water supply was a dangerous assignment, but she is nonetheless shocked when she is suddenly taken captive, bound, and brought to a remote cabin.

Her gruff yet undeniably handsome captor turns out to be a man named Sloan who claims he is an undercover FBI agent investigating the same organization she has been trying to expose. Kate is unsure whether Sloan can be trusted, but he makes it clear that he plans to do whatever is necessary to protect her, whether she likes it or not. If keeping her safe requires taking her over his knee for a stern punishment to ensure her obedience, then so be it.

When Kate keeps some critical information from Sloan, a long, hard spanking on her bare bottom quickly proves that his warning was not a bluff. To her surprise, however, the painful, embarrassing chastisement leaves Kate not only promising to be good but also yearning for Sloan to take her in his arms and claim her thoroughly.

Sloan's skilled, dominant lovemaking is unlike anything Kate has ever experienced before, and she finds her desire for him growing more intense by the hour. But when something goes terribly wrong and the entire investigation is put in jeopardy, can Sloan prove to Kate that she is not just a means to an end for him?

Publisher's Note: Capturing Kate is an erotic romance novel that includes spankings, sexual scenes, elements of BDSM, and more. If such material offends you, please don't buy this book.
