Men of the Code: Living as a Superior Man Bohdi Sanders

Men of the Code is a handbook for men who want to live life to the fullest with character, honor, and integrity. Men of the Code examines the current state of men's morals and ethics, and then shows men, step by step, how to hold themselves to a higher standard.

This is more than a book on character and ethics; Men of the Code goes much deeper into why men should live by a higher standard and how to do just that. This amazing book guides men and boys through the character traits that should be integrated into every man's life and teaches the reader exactly how to develop his own code of honor.

Men of the Code touches on what it means to be a real man in today's society. It examines the current state of men and how men are portrayed in movies, videos, television, and in the media. Then it delves into how men can transform their lives and become the kind of man that most of us respect and strive to be. Each character trait is examined in both an informative and entertaining chapter of its own. Each chapter contains easy to understand analogies, examples, and prose that reaches men on a deep level.

Men of the Code encourages and motivates men and boys to become the best that they can be, in a world where it seems most men are willing to settle for average. In Men of the Code, the reader will learn:

- * How to be a superior man
- * What it takes to be a real man
- * How to be a better husband
- * What true courage is
- * How your thoughts affect your life
- * The true meaning of honor
- * What it means to be a true friend
- * How to be a great father
- * How to raise real men
- * Why discipline is vital in your life
- * Why sincerity is important
- * How to live a life of excellence
- * What true respect means
- * How to live a life of honor
- * How to be at peace with death
- * How to make the right decision
- * Why you should be courteous
- * And much, much more...

Men of the Code is a must read for every mother and father, for every young man, and for those men who want to be what Confucius called, superior men. This book is truly life-changing.
