Norfolk (Historic Britain from the Air)

Neil R. Storey

Norfolk (Historic Britain from the Air) Neil R. Storey

This text offers a chance to the reader to glimpse changes to the face of Norfolk from the viewpoint of aerial photographs. The images are drawn from the archives of a pioneer flier and look at the development of Norfolk from a haven of ubiquitous chimney pots, to the blitz and post-war development. This volume shows the county before many developments and is accompanied by an affectionate text by a Norfolk historian.
