## **Where the Party Ends** John Trivelli

All Jimmy Z wanted to do was get high and have fun. It all came to a horrifying end when a home invasion ended with three dead and Jimmy Z holding the smoking gun. This is a story about a young man whose choices in life would surely be the end of him. As an only child being raised by a single mom who worked nights, Jimmy Z had too much freedom to experiment with drugs and associate with people who led him to an unspeakable destination in life, death row. Someone should have told him to choose his friends wisely. Author JOHN TRIVELLI has seen some of his friends get caught up in drugs and commit crimes to support their dependency. Some of them ended up in prison. Some of them didn't live to tell their tale.
