Youth Destroyed--The Nazi Camps: Primary Sources from the Holocaust (True Stories of Teens in the Holocaust) Ann Byers

Alice Lok was deported to Auschwitz, a Nazi death camp, in 1944. Upon her arrival, she faced a "selection." Alice had to stand in line as a Nazi doctor examined the new camp inmates. If the doctor pointed one direction, it meant hard labor—but labor meant life. If the doctor pointed the other way, that meant immediate death. Alice was lucky. She survived Auschwitz and two other camps. However, millions of Jews were not so lucky. There were six Nazi death camps in operation during World War II and thousands of other work and prison camps. Author Ann Byers details the stories of young people who were forced to live in Nazi camps during the Holocaust.
