All of us face the inevitable car buying experience. And each of us silently prays that our vehicle will be free of problems — that we do not wind up with the proverbial LEMON.

Lemons have existed since cars started rolling off assembly lines 100 years ago. Although state and federal consumer protection laws have been enacted, the cunning auto industry has found ways to circumvent its responsibilities. Motivated by profit, it has set up obstacles to thwart lemon owners from seeking resolution — all for the sake of frustrating buyers to either go away or accept something far less than owed.

"Bring on Goliath" is Attorney Vince Megna's exposé of the errant auto industry, the "Giant," as he calls it. For nearly 14 years, he has successfully fought this Giant, representing car buyers from all walks of life. Armed with laws, his most powerful weapon turns out to be his undying determination to fight for justice. Megna is a David crusading against one of the largest Goliaths ever. His winning record will make you stand and cheer. Gripping, informative, revealing and at times, laugh-out-loud funny.
