Collision Course Radical Islam vs Christianity and the West Hiram Rester

IN THIS BOOK YOU WILL SEE: -Radical Islam In Revelation -Early Protestant Views on Islam in Prophecy -Radical Islam Defeated -The Coming Conflict -What to Expect in the Future They came riding swiftly out of the desert wastelands directly into Bible Prophecy. They numbered as swarming locusts, were ferocious as lions, their turbans whipped in the wind and they were ready for war. These symbolic locusts had the faces of men, the hair of women and stings like scorpions. This book will show you that this seemingly abstract and dynamic prophecy denotes the rise of militant Islam in Revelation 9. Some of the most influential Christian leaders from the 1500's - 1800's believed radical Islam was a significant figure in Revelation's end-time prophecies. In this book you will see that Luther, Wesley, Newton, Foxe, and many others believed and taught militant Islam was the key figure in the explosive prophecies of Revelation 9. These thought leaders, professors, and founders of popular Christian denominations saw militant Islam was on a "Collision Course" with the Western world. Prepare to be shocked by their views and the implications for you today. The Bible predicts there will be three major conflicts between militant Islam and the Christian West. Two of these have happened already. The first was the Crusades. The fall of Constantinople (now the Islamic city of Istanbul) was part of the second major conflict. The next and final conflict is yet to come and will be like nothing this world has ever seen. Conditions in the world today indicate this final conflict is about to begin. Read this book. Be prepared.
