Everyone who retires has hopes, dreams, plans, and projects. But how do you manage your nest egg to realize your dreams?

Just as a baseball manager sets his batting lineup, you need to choose a portfolio allocation and withdrawal method. You also need to determine how flexible you'll be in your approach.

Tushar S. Chande, Ph.D., MBA, explores how to design an effective strategy. Learn how to:

shape your withdrawals to support retirement projects;
control ending balances to define your legacy;
select strategies to meet diverse objectives; and
succeed in a low-inflation, low-rates environment.

Chande provides a solid foundation for building the life you want. With his guidance, you'll be equipped to make better decisions about withdrawing money in retirement.

When it comes to preparing for your later years, it's imperative to take steps to make money last without limiting your options. Set yourself up for success with Financial Planning for Successful Wealth Management in Retirement.
