Rover

Jackie French

Rover Jackie French

He was just a fat runt of a puppy. He didn't look much like his namesake, Mighty Rover, but when the witch gave Riki Snarfari his True Name, it stuck.

She was just a poor farm girl. She lived alone with her mother in a quiet seaside village and spent her days running after the cows.

When Viking raiders attack, both are taken as prisoners. The Viking ways are strange: their huts grander, their food richer, their dreams bigger. Freydis, their leader, is a bold Viking woman who bows before no man. Like her people, she can be intelligent and shockingly brave one minute, then heartlessly brutal the next.

Behind Hekja there is pain, but ahead is an open sea, and a remarkable adventure for one girl and her dog. As they sail on to Iceland, Greenland, and beyond, a runner and a rover must finally find their home.

Vividly real, masterfully conceived, and rich with larger-than-life characters, Jackie French's rover is a voyage to a world of intrigue, discovery, and surprise.

From reader reviews:

Loretta Tellis:

A lot of people always spent their own free time to vacation or go to the outside with them household or their friend. Were you aware? Many a lot of people spent they will free time just watching TV, or perhaps playing video games all day long. If you want to try to find a new activity this is look different you can read a new book. It is really fun for yourself. If you enjoy the book that you just read you can spent all day every day to reading a publication. The book Rover it is extremely good to read. There are a lot of individuals who recommended this book. We were holding enjoying reading this book. In case you did not have enough space to develop this book you can buy the e-book. You can m0ore effortlessly to read this book from a smart phone. The price is not to fund but this book possesses high quality.

Terrance Oneal:

Many people spending their moment by playing outside along with friends, fun activity having family or just watching TV all day every day. You can have new activity to pay your whole day by reading through a book. Ugh, do you consider reading a book really can hard because you have to accept the book everywhere? It fine you can have the e-book, having everywhere you want in your Touch screen phone. Like Rover which is keeping the e-book version. So , why not try out this book? Let's view.

George Jamison:

As we know that book is essential thing to add our understanding for everything. By a reserve we can know everything we would like. A book is a list of written, printed, illustrated or maybe blank sheet. Every year ended up being exactly added. This reserve Rover was filled in relation to science. Spend your extra time to add your knowledge about your research competence. Some people has distinct feel when they reading some sort of book. If you know how big selling point of a book, you can really feel enjoy to read a guide. In the modern era like currently, many ways to get book that you just wanted.

Joan Morris:

A lot of publication has printed but it differs from the others. You can get it by online on social media. You can choose the top book for you, science, comedian, novel, or whatever by means of searching from it. It is referred to as of book Rover. You can include your knowledge by it. Without causing the printed book, it could add your knowledge and make you happier to read. It is most important that, you must aware about reserve. It can bring you from one place to other place.
