## **Welcome to Microsoft Office 2010** Jill Murphy

"Welcome to Microsoft Office 2010 is a fun, easy way for beginners to learn how to use Office 2010 software. The book provides a basic understanding of the software applications typically required for both home and business, including Word, Excel, PowerPoint and Access. Learning is reinforced with plenty of illustrations and practical, hands-on projects and exercises. Specific, step-by-step instructions work well in both instructor-led and self-paced environments."
