"Art in Time" is an index to all the pictures in the Art section of "Time" Magazine. Each copy of "Time," from the first number of volume one in 1923 down to the last issue of volume 94 in 1969, has been examined. The compilation is arranged in one alphabetical sequence. Under each artist's name will be found a listing of all his works reproduced in "Time." Titles are followed by an indication of the type of work, and whether it is pictured in black and white or color. The volume, page, and date of the work's appearance in "Time" are shown last. Works are located by the first word of the title. Portraits, busts, etc. are alphabetized by the subject's surname.
