Blood of Adam: Generations of Noah (Volume 1) Rachel S. Neal

Before the earth splinters into continents, before the first raindrops fall from the sky, only one family is destined for salvation. Denah is not among them by choice. Her husband is a disgrace, her sisters-in-law are cursed, and the family adheres to the rigid demands of an outdated God. Denah simply wants the life she deserves. She will follow her own forbidden path to fulfillment, encountering blackmail, jealousy, and betrayal along the way. What she deserves turns out to be far different than what she imagines, and she must face the tumultuous consequences of her decisions before the past and future of all mankind collide in the shadow of Noah's ark.
