Simon Daniels

This book provides expert analysis of the application of the evolving law in Corporate Manslaughter as it relates to the Maritime and Aviation industries.

It will prove to be a useful tool for practitioners and students in this specialised area, as well as those working in the maritime and aviation industries, such as those who will be accountable under the Corporate Manslaughter Act 2007; the Masters and Pilots who manage the risks; and the insurers who underwrite the cost of the risks.

The author will discuss areas such as:

- The liability towards passengers and employees
- The Prosecution of offenders
- Comparative analysis of corporate manslaughter in the wider, global industry
