Ecosystems - Life in a Coral Reef Hayley Haugen

Life in a Coral Reef in Kidhaven's *Ecosystems* series explores the active and vibrant world of coral reef habitats, one of the most complex ecosystems on Earth. Three chapters describe different types of corals and explain how reefs are formed, illustrate a variety of coral reef plant and animal life, and discuss a number of environmental issues that threaten coral reefs and the conservation efforts underway to save them. Colorful photos accompany the text.
