The Museum of Intangible Things Wendy Wunder

“A crisp, beautifully crafted story of adventure, love, and the limits of friendship...”

—Booklist (Starred Review)

Hannah and Zoe haven’t had much in their lives, but they’ve always had each other. So when Zoe tells Hannah she needs to get out of their down-and-out New Jersey town, they pile into Hannah’s beat-up old Le Mans and head west, putting everything—their deadbeat parents, their disappointing love lives, their inevitable enrollment at community college—behind them.

As they chase storms and make new friends, Zoe tells Hannah she wants her to live bigger, dream grander, aim higher. And so Zoe begins teaching Hannah all about life’s intangible things, concepts sadly missing from her existence—things like *audacity*, *insouciance*, *karma*, and even *happiness*.
