## **The Prayer of a Single Mom** Samantha Gustafson

I was led by the Holy Spirit to write my journey in the Lord. As many know, this life can take us through a roller-coaster of emotions and leave us with more questions than answers. This book is a true testament of the glory and honor God deserves and all of the qualities he holds. It is in no way only for single moms but for anyone who struggles in any area of life. I hope that in reading this book you will find the comfort, peace, and understanding and love that God so desperately wants us to have. I pray that anyone reading this will be touched beyond understanding to reveal something about yourself you may not have known or to find a meaning in your life you never could have expected. God is able, and if we are willing and open to accepting him and letting him accept us just as we are we can thrive in this thing we call life.
