**The South As It Is: 1865-1866 (Seeing the Elephant)** John Richard Dennett

This classic report originally appeared as a series of articles in the Nation between July 8, 1865, and April 11, 1866. Dennett traveled in seven states—Virginia, North Carolina, South Carolina, Georgia, Alabama, Louisiana, and Mississippi—at the very beginning of Reconstruction. His remarkably prophetic account of the recently defeated South is a major source for the history of this transition.
