## **To Punish and Protect: Against a System That Coddles Criminals** Jeanine Pirro

Deemed "the avenging angel of American justice" (Chris Matthews, *Hardball*), Jeanine Pirro, the famed Westchester County district attorney, presents hard truths about a justice system that she believes coddles criminals at the expense of innocent victims. Taking readers inside her daily battles on behalf of victims -- from the adolescent girl forced to assume wifely duties after her father murdered her stepmother to a hardworking man shot over a parking place -- District Attorney Pirro delivers a bold indictment of the criminal justice system and lays bare the ways in which parents, communities, and the system share complicity in fostering a dangerous environment for our citizens.

With the blunt courage of a woman who has spent her entire career working in a male-dominated world, Pirro demonstrates determination and compassion that will inspire anyone who has ever been a victim -- or a victim's loved one.

Finally, *To Punish and Protect* includes updated appendixes to help you and your loved ones make smart decisions about safety.
