Porn. Do you think of it as a dirty word, a taboo topic, something you associate with cheesy films with bad plots? Filmmaker and author Erika Lust is here to change all that. With the goal of making porn more accessible to women, *Good Porn* examines the films, the industry, and the phenomenon. It breaks away from any assumptions you may have about porn, opening the door for a wholly new conversation about a medium that has too long been considered the domain of men.
