This manual for sexual abuse victims and their attorneys gives information on staying safe, investigating the case professionally, dealing with experts, defense traps, negotiating a settlement, and trial. Included is information on: --How to pull information on the perpetrator, his employer, or his school, that enables you to contact witnesses who are no longer associated with them; --How to interview witnesses so that their statements cannot be denied; --How to find expert witnesses; --How to research experts such as psychologists, and get information to be able to cross-examine or even disqualify them; --How to prevent the defense from using psychological tests such as the MMPI-2 and Rorschach to unfairly ruin your case; --How to negotiate a settlement; and --What you need to do to succeed at trial. Here you will learn: --How to force police to take your case seriously. --How to investigate areas of the Web the perpetrator thinks are secret, and find things he thinks are hidden. --How to find where Web photos of the perpetrator were taken, and when. --Why there are so many college rapes, and how to avoid them. --How to prevent unfair psychological testing. --How to preserve evidence. --How to negotiate a full settlement. --How to prepare for trial so effectively that the defendants want to settle. And much, much more.
