I have struggled about releasing this book. It is a very personal journal that documents my timeline of finding, embracing, and letting go of love. It is a revealing and guiding tour from begining to end as witnessed by my heart. All included text are the poems that I had written to a very special person in my life. I think anyone who has fallen in love can relate to these experiences. This is a real world and modern look at love. I poured my heart and soul into this book.
