Many moms struggle with finding time to spend with God. Is it even possible, between diaper changes, carpools, meals, and messes? It is possible, if only moms could connect with their Creator and vacuum cereal out of the car seat at the same time. Megan Breedlove, a stay-at-home mom of five energetic little ones, is convinced it can be done and *Manna for Moms* is a daily devotional that shows moms how.

One of the main ways God speaks to his children is through his calling on their lives. That means that moms have a high calling, indeed! It is possible for moms to hear God's voice and respond, even as they carry out the daily tasks of mothering their children. Each devotion included in *Manna for Moms* is encouragement and inspiration to face every hectic day with an open heart, expecting God to reveal Himself in the midst of whatever chaos arises! There are also tips and suggestions for readers to stay alert for God's teaching in their interactions with their children. Instead of struggling to find time with God, moms can invite Him into every precious moment.
