**Soldier On** Gale Marie Thompson

**July Open Reading Period selection, chosen by Nate Pritts**

Fascinated by what emerges from unlikely sources when absorbed into memory, Gale Marie Thompson's poems delight in what remains: John Wayne, Bewitched, turnip fields, camellias and canned figs, and--of course--kitchens. *Soldier On* uses the light of the kitchen as a starting (and ending) point to explore remembered spaces, which take on new facets and textures in a flood of associations and the mind's endless cross-indexing. At the book's core are questions we ask ourselves: Where can I place this memory? Why is one memory connected to other memories? To which time or object do I belong? Inside a world of objects, people, and artifacts, *Soldier On* constructs the language in which we love and lose love.

### From reader reviews:

#### **Nathan Wilson:**

Do you have favorite book? If you have, what is your favorite's book? Reserve is very important thing for us to learn everything in the world. Each e-book has different aim as well as goal; it means that guide has different type. Some people really feel enjoy to spend their time to read a book. They are really reading whatever they get because their hobby is usually reading a book. Why not the person who don't like reading a book? Sometime, person feel need book if they found difficult problem or even exercise. Well, probably you will require this Soldier On.

#### **Victor Elam:**

Have you spare time for just a day? What do you do when you have more or little spare time? Yep, you can choose the suitable activity regarding spend your time. Any person spent their spare time to take a move, shopping, or went to typically the Mall. How about open or read a book entitled Soldier On? Maybe it is being best activity for you. You understand beside you can spend your time together with your favorite's book, you can wiser than before. Do you agree with their opinion or you have various other opinion?

#### **Nicholas Sheen:**

Book is to be different for every grade. Book for children until eventually adult are different content. To be sure that book is very important for us. The book Soldier On seemed to be making you to know about other understanding and of course you can take more information. It is very advantages for you. The publication Soldier On is not only giving you considerably more new information but also for being your friend when you truly feel bored. You can spend your personal spend time to read your book. Try to make relationship together with the book Soldier On. You never really feel lose out for everything in the event you read some books.

#### **Maria Swensen:**

This Soldier On is great guide for you because the content that is full of information for you who also always deal with world and get to make decision every minute. This kind of book reveal it data accurately using great plan word or we can say no rambling sentences within it. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but difficult core information with wonderful delivering sentences. Having Soldier On in your hand like keeping the world in your arm, details in it is not ridiculous a single. We can say that no book that offer you world in ten or fifteen second right but this e-book already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. busy do you still doubt which?
