Whisper Chrissie Keighery

A beautifully written coming-of-age tale about a 15-year-old girl whose life is altered by sudden deafness

I'm always trying to figure out what's really going on. Always having to fill in the gaps, but never getting all the details. It's like trying to do a jigsaw when I don't even know what the picture is, and I'm missing one of the vital middle pieces.

How do you know if your friends are talking about you being your back, or if a boy likes you? They could act all innocent, but you'd know from the rumors. You'd hear the whispers. But what if you couldn't hear those whispers anymore? Being a teenager is hard enough. But what about being a deaf teenager? Demi is 15 years old when her world is shattered by illness. Waking up in hospital, she can see people are talking and moving around her, but she can hear nothing. As the days and weeks pass, it becomes clear that Demi is locked in a silent world and this is a world she must now learn to navigate. This unique, touching story explores the universal theme of finding your place, against a fascinating backdrop.

From reader reviews:

Noah Cale:

In this 21st one hundred year, people become competitive in most way. By being competitive at this point, people have do something to make these survives, being in the middle of often the crowded place and notice simply by surrounding. One thing that at times many people have underestimated this for a while is reading. Yes, by reading a reserve your ability to survive raise then having chance to stay than other is high. In your case who want to start reading some sort of book, we give you this particular Whisper book as beginner and daily reading reserve. Why, because this book is more than just a book.

Patrina Eaton:

Here thing why this specific Whisper are different and reputable to be yours. First of all reading a book is good nonetheless it depends in the content of computer which is the content is as tasty as food or not. Whisper giving you information deeper and in different ways, you can find any book out there but there is no e-book that similar with Whisper. It gives you thrill looking at journey, its open up your own eyes about the thing in which happened in the world which is possibly can be happened around you. It is possible to bring everywhere like in area, café, or even in your means home by train. When you are having difficulties in bringing the printed book maybe the form of Whisper in e-book can be your option.

Carmel Smith:

Reading a reserve tends to be new life style on this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Using book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire their reader with their story or perhaps their experience. Not only the storyplot that share in the publications. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors on this planet always try to improve their skill in writing, they also doing some research before they write to the book. One of them is this Whisper.

Tammy Jones:

Reading a book to become new life style in this yr; every people loves to study a book. When you examine a book you can get a great deal of benefit. When you read guides, you can improve your knowledge, simply because book has a lot of information into it. The information that you will get depend on what forms of book that you have read. In order to get information about your study, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, these us novel, comics, along with soon. The Whisper offer you a new experience in reading through a book.
