Richard Mizdal

Black & White Photography for 35mm: A Guide to Photography and Darkroom Techniques Richard Mizdal

Combining detailed explanations of all aspects of black-and-white 35mm photography with exercises that clearly illustrate each concept step-by-step results in a comprehensive how-to guide to the camera and darkroom. This manual covers the basics of taking a shot by explaining the camera functions, how the camera meters light, and the proper use of filters. It teaches beginning through advanced techniques for shooting, developing, and printing and offers advice on selecting the right lens, the proper depth of field, and correct exposure. Included are darkroom tips on setup and maintenance and details of the latest technology and equipment.
