Draw upon relevant research and the author's experience to outline and contextualise the key aspects of loss: theoretical concepts, approaches and vocabulary terms. Loss and bereavement is a sensitive area; no two stories will ever be the same. At its core this resource aims to explore the common anxieties your students will encounter in this specific setting and provide strategies for managing the challenges unique to loss counselling. It is a practical guide for anyone taking an award, certificate or diploma in counselling and for experienced practitioners looking to implement best practice.
