Get Up Stay Up Danny Croft

In his book *Get Up Stay Up*, author Danny Crofts has put together the bombproof how-to manual of graffiti writing. Crofts breaks it all down with the basics for every mission, with solid advice on how to keep a low profile during night time bombing runs, selecting proper clothing, and finding the right paint and caps to pull off tight graffiti pieces. In the introduction to *Get Up Stay Up*, Crofts states "Graffiti writers have established themselves in almost every corner of the world. Even in places too inhospitable to provide a regular home, artists have found ways to exploit its potential." Now those aspiring graffiti writers looking to get into the game can benefit from Crofts' knowledge and insight about how to beautify their little inhospitable corner of the world.
