Life is full of making choices and these character education chapter books examine the different choices made by two cousins -- the McNairs. Greg the Good is hard working and honest. Three books follow Greg as he makes choices that earn him money, respect, and a good reputation. James the Rock, on the other hand, makes the choice to join a gang and lie, cheat, and steal to get by. Three books follow James and show the consequences that come from choosing that path...

In Greg's Game Dilemma, Greg and his sister April and their cousins James and Charles all live with Grandma and Grandpa McNair. Because times are tough, Grandma is going back to work. Everyone is getting an allowance for helping around the house, but it isn't enough for the new video game Greg wants to buy. So, Greg starts doing odd jobs around the neighborhood to earn extra cash. James doesn't really need an allowance since he makes more money from stealing with his friends! Will Greg follow James's lead and steal to get the video game he wants so badly? Or will he continue to make good choices and live up to his reputation as Greg the Good? Calico Chapter Books is an imprint of Magic Wagon, a division of ABDO Group. Grades 2-5.
