## **Mythical Formula One: 1966 to Present** Marcel Correa

Computer generated profiles of the most famous and legendary Formula 1 single-seaters from 1966, the year when a new engine capacity regulation was approved. This coincided with the most important features we can still see in the cars of today, including wings, sponsors, slick tires, and carbon-fiber chassis. All of them are illustrated in this book, depicting milestones such as the Lotuses 49, 72, 79, Renault RS01, winners like the Ferraris T series, McLaren MP4 from 1988, Shumacher's Ferrari, original ideas like the Tyrrell P34 and other curiosities. Despite being focused on the cars, the book also examines the designers, team-managers and drivers.
