Preaching Christ from Psalms: Foundations for Expository Sermons in the Christian Year Sidney Greidanus

In this final volume of his series on preaching Christ from the Old Testament, Sidney Greidanus offers expert guidance for busy pastors on preaching Christ from Psalms.

Beginning with a general introduction on how pastors can interpret and preach from the biblical psalms — and why they should — Greidanus proceeds by discussing twenty-two psalms in the Revised Common Lectionary, Year A, supplying the building blocks necessary to preach from Psalms at Christmas, Easter, Pentecost, and other major days and seasons of the church year. In addition to laying out basic homiletical-theological approaches suitable for each selected psalm, these chapters also provide verse-by-verse exposition, bridges to Christ in the New Testament, and ideas for placing the psalmist's words into contemporary context.
