Preaching in the Holy Spirit Albert N Martin

Good pastors pray for the Holy Spirit's help in preparing biblical sermons that will adequately feed God's sheep. They also hope for the Spirit's work in the hearts of the hearers so that they effectively receive the preached Word. But are these the only ways that preachers must depend on the Spirit in their preaching? In this book, Albert N. Martin reminds gospel ministers of their need to rely on the Holy Spirit as they proclaim God's Word. He explains the necessity of the agency and operations of the Holy Spirit, describes its specific manifestations, and discusses ways it is restrained or diminished. Here is a prophetic call to reliance on God in the very act of proclaiming His Word.
