## The Book of Jubilees

This rare and important holy book sheds new light on Judaism and early Christianity. It reflects a form of Jewish mystical thought at around the time of Christ and retells much of the Old Testament story. It includes additional material not found in the Bible and relies heavily on the "Book of Enoch", making this a good companion text for that title. Covers the fall of the angels, Adam & Eve, the great flood, evil spirits, the fall of man, and much more.
