## **The Last Passenger** Manel Loureiro

Reporter Kate Kilroy accepts an assignment to travel on the *Valkyrie*, a German ship veiled in secrecy for decades after it was discovered adrift in 1939 with only one passenger aboard, a baby boy named Isaac Feldman.

Obsessed with understanding his origins, Feldman has spent a small fortune restoring the *Valkyrie* to try to solve the mystery. Assembling a team of experts and sparing no expense, he aims to precisely recreate the circumstances of the *Valkyrie*'s doomed final voyage. Little does Feldman or his team know that the ship has an agenda of its own. As the *Valkyrie* begins to weave its deadly web, Kate realizes that she must not only save herself, but the world as she knows it.
