Introduction As I compile this book "Beheading of Humans Since Biblical Time" is to remind the World Religion is the downfall of man. Jesus came in this World end Religions and worship only God and establish a new way of life. Religions are pitted against each other. Practice what you preach, love your fellowman as you love yourself and do unto others as you would have them to do to you. Ask yourself what would Jesus do? Sam Harris criticizes Western Religion's reliance on divine authority as lending itself to authoritarianism and dogmatism. There is a correlation between Religious Fundamentalism and Extrinsic Religion (when Religion is held because it serves ulterior interests) and Authoritarianism, Dogmatism, and Prejudice. These arguments—combined with historical events that are argued to demonstrate the Dangers of Religion, such as The Crusades, Inquisition, Witch Trials, and Terrorist Beheading (ISIL Jihad)—have been used in response to claims of beneficial effects of Belief in Religion. Both Muslims and Jews are cousins, they hate each other to this day in the name of Religion which will doom them until the end of time. There is no solution to their cause, because they both think they are God's chosen people. United States will be destroyed because the Ruling Class in the United States has chosen the side of Israel to defend. The only solution is for them to integrate like the Blacks and Whites in the United States. America is on the road to become the greatest Nation on Earth because she is slowly becoming one. My summary on "Beheading of Humans Since Biblical Time" of mankind inflicting death on each other; this create hate and revenge, which brings out the evil demons from within each of us. We must one day overcome those evils as we evolve into higher intelligent beings so the future of mankind will evolve into a higher relationship with God. The Author
