Islam and Christian Theology: A Study of the Interpretation of Theological Ideas in the Two Religions - Part 1 - Vol.2 (Library of Ecclesiastical History) (Pt. I, v. 2) James Windrow Sweetman

A ground-breaking four-volume study of the inter-relation between the theological teaching of Islam and the theological content in the teaching of the Christian Fathers and of medieval theologians. The first two volumes contain a preparatory historical survey down to the close of Christian ascendancy in the Near East, presenting the student with a complete view of the whole theological position as it was at the end of the period. The second two volumes then comprise a study of the subsequent medieval developments.
