Is the honeymoon over...?

Now married with two children, Laney and Mads are finding their life together isn't as simple as it used to be. While Laney struggles with motherhood, Mads is so focused on chasing success that he loses sight of promises he's made.

Better apart...?

When frustration gets the better of her, Laney takes the kids and goes to the US, hoping to find solace with her aunt Cecily, a former school teacher who now teaches yoga and meditation in Florida.

Will Laney and Mads find a way back to one another...or is it too late?

From reader reviews:

Maria Gomez:

Reading a guide tends to be new life style within this era globalization. With examining you can get a lot of information that could give you benefit in your life. Together with book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. Many author can inspire their particular reader with their story or maybe their experience. Not only the storyplot that share in the books. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on earth always try to improve their proficiency in writing, they also doing some investigation before they write to the book. One of them is this Maybe Forever.

Julia Gilmore:

Playing with family in a park, coming to see the sea world or hanging out with pals is thing that usually you have done when you have spare time, and then why you don't try point that really opposite from that. One activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Maybe Forever, you are able to enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang-out type is it? Oh come on its mind hangout folks. What? Still don't obtain it, oh come on its known as reading friends.

Donna Feuerstein:

This Maybe Forever is completely new way for you who has curiosity to look for some information as it relief your hunger details. Getting deeper you onto it getting knowledge more you know otherwise you who still having tiny amount of digest in reading this Maybe Forever can be the light food for yourself because the information inside this particular book is easy to get by anyone. These books build itself in the form that is reachable by anyone, sure I mean in the e-book contact form. People who think that in e-book form make them feel tired even dizzy this publication is the answer. So you cannot find any in reading a guide especially this one. You can find actually looking for. It should be here for a person. So , don't miss that! Just read this e-book type for your better life and knowledge.

Carmen Pinto:

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Maybe Forever can make you truly feel more interested to read.
