Operation Nordwind 1945: Hitler's last offensive in the West (Campaign) Steven J. Zaloga
Operation Nordwind is one of the lesser known campaigns of World War II (1939-1945), yet one of the more intriguing. Largely overshadowed by the Battle of the Bulge further north, Nordwind was the last great operation by the Waffen-SS Panzer divisions in the west, and the last time the Wehrmacht was on the offensive in the West. The campaign also highlights the difficulties of inter-Allied cooperation between the Americans and the French. This campaign has been extensively treated in German and French accounts, but is not well covered in English.
