What a Party! Sandy Asher

It's Grandpa's birthday, and Froggie can't wait to give him his present. But first he has to make the costume . . . and build the stage . . . and create the programs . . . then, it's finally time to sing his song! What a performance! What a party! But then it's all over, only Froggie wishes it weren't. He's been waiting for this day for so long—how can it end so quickly?

From the team who brought us the wildly popular *Too Many Frogs!* comes this simple story all children will recognize about the buildup and letdown of a big day—and the surprising things that comfort us when all the excitement is over.
