Mickey Mantle: Stories & Memorabilia from a Lifetime with the Mick Mickey Herskowitz

Some say he was the greatest ever—a rare combination of power and speed who made acrobatic catches and never failed to get a hit when his team needed it most. The son of an Oklahoma miner, he was the anchor in center field for a Yankees team that won seven world championships. He was three times the league MVP, he won the Triple Crown in 1956, and in 1961 he dueled teammate Roger Maris in a thrilling race for the single-season home run record. He was so famous that to identify him people didn't even bother to say his last name or even all of his first. He was known, simply, as The Mick.

Mickey Mantle is the first-ever illustrated biography published with the support of the Mantle family. Covering his entire life from his impoverished youth to his glorious career to his poignant sunset years, it features rare photos and never-before-seen memorabilia, with 10 pull-out, removable facsimiles. It also includes intimate stories collected over the years by his sons and his friend, writer Mickey Herskowitz—stories that will be new even to the most avid Mantle enthusiasts. This book is an absolute must for Mantle fans of every stripe, Yankees fans, and baseball fans in general.

This book which is qualified as The Hungry Slopes can get you closer in getting precious person. By looking upward and review this publication you can get many advantages.

Travis Berry:

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Mickey Mantle: Stories & Memorabilia from a Lifetime with the Mick can make you really

feel more interested to read.
