Road Dogs

Robert S. McGeary

Road Dogs Robert S. McGeary

State troopers face a different world of law enforcement than most other police. Though far removed from the inner-city beat-cop, they face the same dangers. The great expanses of farm lands and forests and the hundreds of miles of interstate highways are the territories they patrol. They are the lonely gray sentinels protecting the never-ending countryside, where often your only companion is your own conscience, back-up is an hour away, and the unwritten rule is that whatever you stick your nose in, you'd better be able to handle it alone. Road Dogs takes you on patrol with the men who accept the risks every day. Through their daily encounters you'll learn their way. From the humorous to the tragic, it's a harsh study of the dedication and emotion of the career patrolmen that will change your opinion of those wearing the big hat.
